

Hi, my name is Shay Wurst, and I am 12 years old. I go to Lone Star Middle School, I like to hike, play outside, and play with Legos. These last 2 years have been hard being online and wearing masks. This year is different than last year because we have lockers, go to school 5 days a week, see the bottom half of people's faces and be at school for the rest of the year. This year is different than 4th grade because. 4th grade I was in elementary school, I have lockers, and I don't switch classes.
