UPD is on board with unlocking this area and securing it in the evening. I actually unlocked it this morning just in case you needed it. Thanks Ken

Matthew,

Thank you for the email and I am in support of the practice that we were using last semester regarding the music students practicing in the 1st floor Treadaway East wing. I want you to know that there is a possibility that we may be using only the main entrance to access the upper wings of Treadaway for overflow of COVID19 positive residents. If we do decide to use it, it should not affect the music students, but I will be in communication as soon as the decision is made.

I will let Chief or one of the sergeants respond from their end. Sincerely,
James

Hello everyone!

Thank you for the great work you all did last semester for our music students to practice in the Treadaway Residence Hall.

As this semester begins, can I please request the same arrangement for the music students? Thank you.
