

**Fake News**  
**Paloma M**

I can't believe the news  
I can't trust the president  
I can't put my life in the hands of the government  
CNN, Fox, ABC, NBC, NPR,  
all the letters and words,  
What do I believe?  
The fake news, conspiracies, how can we breath  
Information being pushed and pulled  
in and out of our minds  
how can we find  
who to trust who to believe  
How can it even be this difficult  
Checking and rechecking every source to make sure  
That we're getting what we ask for  
The cold hard facts  
No bias or bigotry  
What is wrong with this country  
The right to the truth is what we need
