Hello Joshua,
Thank you for contacting our office.

We have temporarily closed registration so we can begin to make changes to the course schedule to accommodate the different modalities that will be offered. We will reopen registration on August 3. In the meantime, if you need to make a change to your schedule, I am happy to assist. Let me know if I can help.

Dear Registrar,

I am trying to web register for a third course in the fall. When I go to register in Banner, it states "No terms available for this option." I seem to be in good standing and lack any registration holds that I can see. Is there any way to get my registration unlocked in Banner?

Thank you.

Sincerely,
