**christinedeninno** It's been one month since our Rocco was born. Thinking back to the early morning of April 18th gives my heart all the feels! Such a wonderful, challenging and intimate experience. I am so grateful for my sweet midwife, Abby @lamidwifeabby and her assistant Johanna @johannadadoula. I called Abby TEN days before my due date in a panic to see if I was a candidate for a home birth. She completely eased all my concerns and got us excited for our new birth plan. I am very thankful for her and Johanna for being by our sides that night. A big thank you to our sister, Kathy @kathydeninnophotography for being here in the middle of the night to capture these first moments after Rocco was born. We are so overwhelmed with love for this boy of ours! #roccodeninno #onemonth
