Hi, this is Victoria Conerly, and I'm here with Jacob. And I will be conducting an interview today for COVID-19. I'll be asking Jacob a few questions in regards to COVID. Jacob, is there anything specific you would like to share in reference to COVID-19?

**Jacob Guerra 0:22**

I think people should just listen to what they say to do to the protocols. And I think it would make a safer world for everybody if they just followed the protocol.

**Victoria Conerly 0:39**

Okay, great. Thank you. The second question, did COVID have a financial impact on your life?

**Jacob Guerra 0:47**

Most definitely. It changed my, my financial income at work. Most definitely, greatly.

**Jacob Guerra 1:33**

I wouldn't say disturbed, but it gave me options of alternative things to do from my normal way of life.

**Victoria Conerly 1:44**

That's cool. Positive. Last question. Is there anything you wish you would have done differently or you could have done better far as protecting yourself during COVID, far as like following the protocols, wearing mask, things of that nature?

**Jacob Guerra 2:05**

No, I think everything they said was pretty much straightforward. And I followed mostly everything we did. And I think it helped everybody in the long run.
