At a time when we would traditionally come together as a community, COVID-19 is keeping us apart. **Towards the end of the event, we will unite as a community and each light a candle at the same time. So please BYO candle!** 

This event will last no longer than 45 minutes and is family friendly. 

We invite the entire community to join us, so please help us spread the word by inviting your friends and family to the Facebook event.
