Looking to re-home my humans.
It's day 2 of them staying home
and they are interrupting my nap
time. The small one NEVER stops
talking This is ridiculous!! Why are
they home? Don't they know I
really don't like them that much?
They are very needy. Must go to a
good home. Asking 500 snackos
or best offer. This is an emergency
and I need them gone ASAP so I
can nap peacefully - Norman
