

MARIJUANA

There are many marijuana related proposals in Kansas. Some suggest it could be used to help reduce the budget deficit.

What is your opinion on marijuana legalization?

- Support for medicinal purposes
 - Support for recreational and medicinal purposes
 - Oppose any marijuana legalization
 - Not Sure
 - Other _____
-

REGULATORY REFORM

One response to the Coronavirus emergency has been the reduction in regulations to allow greater access to healthcare. This has included a loosening of restrictions on telehealth. During this emergency more doctors have been able to practice telemedicine and even prescribe some medications through telehealth. What is your opinion on making these regulatory changes permanent?

- Support
 - Oppose
 - Not Sure
 - Other _____
-

STAY AT HOME ORDERS

Stay at home orders were implemented at both the local and state level in response to the Coronavirus emergency. With a little bit of hindsight I would like your thoughts on the stay at home orders.

Timing of the state wide stay at home order:

- Implemented too early
- Implemented too late
- Implemented at the right time
- Should have never been implemented at all
- Not Sure
- Other _____

Length of time of the state wide stay at home order:

- Too short
- Too long
- Appropriate Length
- Not Sure
- Other _____
