christinedeninno They told us to stay home, so that's exactly what we did! We welcomed our sweet boy in the comfort of our bedroom yesterday morning. Rocco Cruz DeNinno, 4.18.20 weighing 7.13oz. We made a last minute change in our birth plan because of the virus, and I will be forever thankful we did. Capri was able to meet her baby brother right when she woke up! She can't stop singing to him and we can't stop smooching him. Quarantining just got a lot sweeter for the DeNinno family! #roccodeninno
