Dear Joshua Farrar,

Thank you for submitting your application for the Rattler Impact Scholarship (RIS). The committee reviewed over 1,100 applications and was able to see firsthand how the current pandemic has impacted our students. We are happy to inform you that you have been selected to receive the RIS in the amount of 1500. The scholarship is a one-time scholarship to be used for the 2020-2021 Academic Year.

The Rattler Impact Scholarship will help with direct costs to the University. In addition to any other awards you may have, the RIS will be added to your financial aid award by the first day of classes. If your other scholarships and grants cover all of your direct costs, the RIS amount may be reduced or removed. Direct costs consist of tuition, fees, books, and room and board (if living on campus).

We look forward to seeing all students have a successful fall semester. As always, please reach out if we can be of assistance at [finaid@stmarytx.edu](mailto:finaid@stmarytx.edu). Our [website](#) provides valuable information and contains answers to many of your questions.

Thank you,

Marivel T. Ojeda
