Thank you for your unwavering support of our **FREE Grab-and-Go Meals Program** during school closures. So far, we have served more than **50,000** student meals across all locations to children 18 and under in our communities. We thank all our amazing nutrition services employees and volunteers for feeding those children/teens in our community!

Due to health and safety guidelines recommended by the Centers for Disease Control and Prevention (CDC) and Tempe Elementary School District leadership, we would like to share this important update regarding changes in the distribution of meals and changes in time to our grab-and-go schedule.

Beginning Monday, April 6, we will no longer be serving meals at Thew and Wood. Our five remaining feeding locations will still be serving meals between the hours of 10 a.m. - 12 p.m. only. You will be able to pick up both breakfast and lunch during this time.

PLEASE NOTE: There will be no meal service on Friday, April 10, due to Spring Holiday.

Grab-and-Go meals will continue to be placed on a convenient, self-serving cart. Nutrition Services staff can NOT hand meals directly into vehicles or to walk-up customers. This is intended to further protect community members and Nutrition Services employees.

Tempe Elementary School District Nutrition Services staff members will still be at the five serving locations at this time to welcome people, tally meals, and assist when needed.

We will continue to keep you informed regarding updates to the Grab-and-Go Meals Program [on this webpage](#) as well as on social media.

Thank you for your continued support of the Tempe Elementary School District! If you have any questions, please contact us at info@tempeschools.org.

Please Note: Meals are for any student 18 and under, regardless of what school district they attend.
