CASCADIA International Women's Film Festival was founded in 2015 to create a multi-day annual curated film festival celebrating exceptional films directed by women from around the world.

Our four-day April festivals in beautiful Bellingham, WA include film screenings, social events, workshops, industry panels, educational events, and more. CASCADIA's 2020 festival will be on-line this year and opens May 14 through May 17. Buy your all access festival pass now through our website: [cascadiafilmfest.org](http://cascadiafilmfest.org).

CASCADIA also hosts other festival activities throughout the year: educational forums, workshops, special film showings and other events. CASCADIA is a non-profit organization. Your support helps CASCADIA promote women filmmakers from all over the world.

You can also check us out during our weekend of films and panels at the month-long documentary film festival--October--at the Pickford Film Center in Bellingham.
