Abstract: Speaker 2 discusses how the COVID-19 pandemic affected their faith and participation in their religious community. They also talk about how their religious community has engaged in community service to help people during the pandemic.

Speaker 1 00:00

First question, how has COVID-19 affected your faith or beliefs?

Speaker 2 00:04

Um, I believe my faith has grown stronger because of it.

Speaker 1 00:11

Okay. Second question. Is your religious community still gathering currently? How is COVID-19 affected your participation in your religious community?

Speaker 2 00:19

Yes, we're still gathering. It's through the internet. Our small groups are through the internet as well.

Speaker 1 00:27

Okay, third, and last question is, is your religious community supplying or engaged in any kind of community service in an attempt to alleviate issues caused by the pandemic? If so, what are those efforts?

Speaker 2 00:38

Yeah, so I belong to Saddleback Church, and we're in Orange County, we have something that's called The Peace Farm. And we grow vegetables and fruit and also take donations we are providing those to all of the needy in our community.

Speaker 1 01:00

Awesome.
