Subject: Face masks continued to be required on campus

The St. Mary's University community has continued to make great strides in minimizing the spread of the COVID-19 virus in recent months. This success is aided by the measures we, as a community, have taken to ensure each other's health and safety.

In light of Gov. Greg Abbott's announcement, the University is reminding everyone of our face mask requirement. St. Mary's has in place a mandatory [Face Mask Policy](#) for the 2020-21 academic year.

I thank faculty, staff and students for upholding their responsibility to our shared commitment to protecting the St. Mary's community.
