Effective Monday, March 16, 2020, all University System of Georgia institutions (including the Museum of History and Holocaust Education at Kennesaw State University) will temporarily suspend events for two weeks to allow time for USG institutions to test their business continuity plans & online instruction and for state officials to continue to assess the current situation regarding coronavirus (COVID-19) in Georgia. Please continue to check the museum's website and/or social media pages for further updates.
