➤ Small Business Resources

This pandemic has been especially hard on our small business owners. There are a number of resources at both the state and federal levels to help small businesses weather this storm. The Kansas Department of Commerce has set up a website specifically to help you locate these resources. The site can be found at:

➤ Eisenhower Legacy Plan

One important piece of non-Coronavirus legislation passed this year is the Eisenhower Legacy Transportation Plan. General Eisenhower is not only Kansas' favorite son — as President he was the father of the interstate highway system. This five-star plan will ensure Kansas has the infrastructure it needs to get our economy moving again. The plan will be especially beneficial to the Wichita area over the next decade.

➤ Unemployment

This crisis has caused many Kansans to be temporarily out of work. If you have lost your job or are working reduced hours you are likely eligible for unemployment benefits. You can get more information and apply at getkansasbenefits.gov. If you have any issues navigating the system or getting a response please contact me and I will help you get an answer.
