**Abstract:** Speaker 2 discusses how COVID-19 has impacted their religious beliefs and religious community.

**Speaker 1 0:00**

How has COVID-19 affected your faith or beliefs, religious-wise?

**Speaker 2 0:06**

It hasn't really impacted it. I mean, the only real effect that's had on most religion is a lot of churches gone online. But that doesn't really affect the way I started to believe or have belief in anything.

**Speaker 1 0:22**

Is your religious community still gathering currently and how has COVID-19 affected your participation in this community?

**Speaker 2 0:30**

There are no longer in person gatherings for there was already had an online basis, so they just transition to just fully online. And that hasn't really impacted, I just watch it from a laptop screen, not in person.

**Speaker 1 0:48**

Okay, is your religious community supplying or engaging any kind of community service in attempt to help with the pandemic?

**Speaker 2 1:00**

I'm not sure to be completely honest with you. I know they're talking about the pandemic and they're hoping that they can get back into regular church, but I'm not sure if they're doing anything specific.

**Speaker 1 1:16**

Okay, that's all my questions. So do you have anything for me?

**Speaker 2 1:19**

No.

**Speaker 1 1:20**

All right. Cool. Thank you so much.

**Speaker 2 1:22**

Have a nice day.
